REVISED QUOTATION — COUNTER OFFER

Prepared for:	Mubil Foundation
Project:	NGO/Foundation Website Development
Date:	7 October 2026 (revises quotation of 6 October 2026)
Quotation Validity:	30 Days

INTRODUCTION

Thank you for the opportunity to work with Mubil Foundation on the development of its official website.

AriTron Ltd will provide a professional, secure, responsive, and easy-to-manage digital platform designed to showcase the Foundation's mission, programmes, projects, achievements, activities, announcements, and contact information.

We have provided two website options below to accommodate the Foundation's present and future requirements.

Following our discussions, and in recognition of the Foundation's mission and our desire to build a long-term partnership, AriTron Ltd is pleased to offer revised pricing: ~~₦600,000~~ for the Static Website and ~~₦1,200,000~~ for the Dynamic Website. The full scope of features and deliverables for each package remains unchanged.

OPTION 1 — STATIC WEBSITE

A professional, fast, and cost-effective website suitable for an organisation that primarily needs to present information about its Foundation, activities, programmes, projects, and contact details.

Features & Deliverables

- Custom professional website design
- Fully responsive design for mobile, tablet, and desktop

- Up to 5 main pages, including:
 - • Home
 - About Us
 - Programmes/Projects
 - Gallery

- Social media integration
- Basic on-page SEO setup
- Google Maps/location integration where applicable
- Custom Foundation email address setup (Example: info@mubilfoundation.org)
- Fast-loading and secure website structure
- Hosting-ready website files
- 1 round of design revisions
- 2 weeks free post-launch support

Investment

Package	Cost
Static Website — Revised Total Cost	₦730,000 ₦600,000

OPTION 2 — DYNAMIC WEBSITE

A complete, database-driven website designed for a Foundation that wants to regularly manage and update its website without depending on a developer for routine content changes.

This option is particularly suitable for Mubil Foundation if it intends to continuously publish programmes, projects, news, events, stories, announcements, images, donations, and other updates.

Features & Deliverables

Everything included in the Static Website package, plus:

- Custom administrative dashboard (CMS)
- Secure staff login for website management
- Add, edit, and delete website content

- 1 month free post-launch support
- Training for designated Foundation staff on the administration dashboard

Investment

Package	Cost
Dynamic Website — Revised Total Cost	₦1,500,000 ₦1,200,000

HOSTING, DOMAIN & PROFESSIONAL EMAIL

Mubil Foundation may choose to host the website for either one (1) year or two (2) years, depending on its preference and long-term requirements.

Hosting Options

- 1-Year Hosting Plan
- 2-Year Hosting Plan

The hosting arrangement will provide the necessary server resources for the website and, where applicable, support the configuration of the Foundation's professional email addresses.

Domain & Email

AriTron Ltd will assist with:

- Domain registration or renewal
- Domain configuration
- Website hosting setup
- SSL/security certificate configuration
- Custom professional email address setup
- Email configuration for designated Foundation staff

Example professional email addresses:

- • info@mubilfoundation.org
- admin@mubilfoundation.org
- contact@mubilfoundation.org

Important Notes on Hosting & Domain

Hosting, domain registration/renewal, and third-party email service costs are separate from the website development fee unless specifically included in the final hosting arrangement agreed upon with Mubil Foundation.

The actual hosting cost will depend on the hosting provider, required server resources, domain extension, and whether the Foundation selects a 1-year or 2-year hosting plan.

PAYMENT TERMS

Payment arrangements will be mutually agreed upon by AriTron Ltd and Mubil Foundation before commencement of the project.

No fixed percentage-based payment structure is specified in this quotation.

PROJECT COMPLETION

The estimated development and completion period for both the Static and Dynamic Website packages is approximately one (1) week.

This accelerated timeline is possible due to the availability of additional personnel and resources dedicated to the project.

The completion timeline is subject to the timely provision of the required content, photographs, logos, programme information, approvals, and other materials by Mubil Foundation.

IMPORTANT NOTES

1. This quotation is valid for 30 days from the date of issue.
2. Hosting and domain charges are separate unless expressly included in the final hosting arrangement.
3. Payment gateway charges, transaction fees, and other third-party service fees are separate.
4. Mubil Foundation will be responsible for providing required content, including logos, text, photographs, programme information, contact details, and other relevant materials.
5. Additional pages, features, or functionalities outside the agreed scope may attract additional charges.
6. Custom email addresses will be configured using the Foundation's registered domain and the selected email/hosting service.
7. The website will be tested across major modern browsers and common mobile devices before deployment.
8. AriTron Ltd will provide the necessary guidance and training required for authorised Foundation personnel to manage the dynamic website.

9. Any recurring third-party services will be subject to their respective provider's renewal terms and pricing.

OUR RECOMMENDATION

For Mubil Foundation, AriTron Ltd recommends the Dynamic Website Package.

The Dynamic Website will give the Foundation greater flexibility and control over its online presence. Authorised staff will be able to manage and update programmes, projects, news, events, galleries, announcements, donations, and other information through the administrative dashboard without requiring a developer for routine content updates.

This makes the dynamic platform more suitable for a Foundation that intends to maintain an active and continuously updated online presence.
